Experience

Current

National Australia Bank (NAB)

Senior Product Designer · Contract

Personal Everyday Banking, Digital and Enterprise

Jun 2023 — Present · 3 years 4 months

- Led design for Financial Details and nabONE, covering banker application review, management and verification.
- Helped simplify credit card and personal loan applications, reducing required expense inputs from 16 to two.
- Designed Open Banking consent flows for income verification and Consumer Data Right (CDR) compliance.
- Built an interactive AI income verification prototype, targeting 2,000 hours of weekly savings.

HSBC

Senior UX/UI Designer · Contract

Oct 2022 — Jun 2023 · 8 months

- Led NPP integration design across HSBC's payment rails, with fallback routes for customers unable to use NPP.
- Contributed to global origination customer journeys.

Qantas

Senior Product Designer · Contract

Insurance, Wellbeing, Design System

Sep 2021 — Sep 2022 · 12 months

- Led Qantas Wellbeing and Insurance design, using customer research to clarify travel cover and multi-policy rewards.

Insurance Australia Group (IAG)

Interaction Designer · Contract

Strategy and Innovation, Design Centre

Dec 2019 — Sep 2021 · 1 year 9 months

- Defined design architecture and shared patterns for NRMA quotes, MyAccount and renewals, supporting migration to Guidewire PolicyCenter and ClaimCenter.

Massive Interactive

UX Designer · Contract

Strategy and Innovation, Design Centre

Dec 2018 — Mar 2019 · 3 months

- Contributed UX design to Mediacorp's on-demand TV platform in Singapore.

Commonwealth Bank of Australia (CBA)

UX/UI Designer · Contract

Enterprise Services & Digital

Aug 2016 — Dec 2018 · 2 years 4 months

- Led home-lending appointment booking design, replacing a 24-hour callback wait with direct bookings in around five minutes.
- Designed CanWork's staff and manager journeys to match available staff with branch shifts.
- Contributed to CommSee's regulatory servicing and home-loan credit decisioning workflows.

The University of Sydney

UX Designer and Development · Contract

Faculty of Architecture

Jan 2014 — Mar 2016 · 2 years 2 months

- Redesigned and built the Faculty of Architecture website in HTML, JavaScript and CSS, applying the University's new design guidelines.

Wunderman Bienalto

UX/UI Designer · Permanent full-time

Jan 2013 — Nov 2014 · 1 year 10 months

- Designed digital experiences for Woolworths, Dan Murphy's and NSW Planning, supporting pitches and client design reviews.

Retail and hospitality

Part-time roles throughout high school and university

Telstra, Kmart and hospitality

2005 — 2013 · Approx. 8 years
